WHEREAS, Section 82.102(a)(7) of TUCA provides that, unless otherwise provided by the declaration, the association, acting through its board, may adopt and amend rules regulating the use, occupancy, leasing or sale, maintenance, repair, modification, and appearance of units and common elements, to the extent the regulated actions affect common elements or other units; and

WHEREAS, pursuant to this authority, the Board of Directors of Springtree Crossing Condominium Association (the "Association") previously adopted the Rules & Regulations recorded on or about December 20, 2011, as Instrument No. 201100330330 (the "2011 Rules"); and

WHEREAS, the 2022 Rules were replaced by the Amended Rules & Regulations, recorded on or about January 26, 2022, as Document No. 202200024433 of the Real Property Records of Dallas County, Texas (the "2022 Rules"); and

WHEREAS, the Board of Directors now desires to amend and replace the 2022 Rules with the following Second Amended Rules & Regulations.

NOW, THEREFORE, IT IS RESOLVED that the Board hereby adopts Second Amended Rules & Regulations.

The rules and regulations of the Springtree Crossing Condominium Association (the "Association") have been established to assure a safe, harmonious environment for the homeowners and tenants of the Springtree Crossing Community. These rules and regulations have been formulated by the Association and may be altered from time to time. They are designed to provide directions about matters of common concern.

Compliance with the standards of the complex is critical to ensure a quality living environment for all residents.

1. Each homeowner and tenant is subject to all of the Association documents and Rules and Regulations.
2. Non-resident & resident owners are responsible for the conduct of their tenants and their guests.
3. Non-resident & resident owners are responsible for providing their tenants with adequate knowledge of the Bylaws and Rules and Regulations of the Association.
4. As determined by the Board of Directors, fines will be assessed for noncompliance by owners, tenants and guests with these Rules and Regulations and the Declaration and Bylaws. The fines will increase in amount on subsequent violations.
5. Whether or not it is stated in the lease, all leases are deemed to contain an obligation that the tenant must comply with all provisions of the Declaration, Bylaws and rules and regulations of the Association, and that any violation thereof is deemed to be a default under the lease. Tenants are subject to eviction for violation of the Declaration, Bylaws or the Rules and Regulations of the Association.
6. Each owner or tenant is responsible for obtaining a copy of the Rules and Regulations from the management company.

FACILITIES

1. There are two pools on the property. Each resident is required to have a pool key for access to the pool gates and the bathrooms. A pool key is available from the Association manager for a nominal fee.
2. One reserved parking space is provided for each unit. Visitor parking is provided as available. Residents must alert their guests to park only in non-reserved spaces or have their vehicles subject to towing at the vehicle owner's expense. Parking in fire lanes is not permitted. No vehicle may occupy or obstruct more than one parking space. A towing company authorized by the Association will tow illegally parked vehicles at the vehicle owner's expense. No warning notices are required. Contact the management company for your parking space number.

LEASING AND OCCUPANCY STANDARDS.

All homeowners who lease their units are required to abide by the occupancy standards adopted by the Board of Directors. These standards are within Federal and State Fair Housing Guidelines and apply to all Springtree units in which tenants reside.

1. Occupancy in a rental unit is limited to a maximum of two persons per bedroom. State and/or Federal exceptions may apply. The unit if rented must be rented in whole, not in part, and must be rented for no less than 30 days at a time. It is not the intent of this provision to exclude from a Unit any individual who is authorized to so remain by any local, state, or federal law.
2. A fine will be assessed against a homeowner who fails to comply with these occupancy standards. Subsequent fines may be assessed until such time as the owner is in compliance.
3. The Management Co. for Springtree Crossing may require a copy of a lease agreement between owner and tenant. Lease must contain names of all occupants, ages, and photo copy of drivers license.
4. Background Checks: All owners subject to this section of the Rules and Regulations will conduct a criminal background check on all occupants of their unit, 18 years of age and older. Owners may be asked to provide the Association with a copy of the background report for any individual or if the individual cannot be identified for all occupants of a unit involved in the violation of the rules and regulations. If the background report is not provided within 72 hours of request the owner will be issued a fine and the Association may conduct its own background check and assess the owner for its cost. In addition to standard fines that are levied for the violation of the rules and regulations by tenants, owners will be asked to evict any occupant with a criminal history that is involved in a major infraction of the Rules and Regulations or in any way threatens the personal safety or property of another resident.
5. Lease Agreement and Identification: All owners are subject to this section of the Rules and Regulations and must use a written lease form.
 - A copy of the signed lease must be provided to the Association (via the management company) within 30 days of occupancy.
 - The lease will identify the name and age of each individual with the right to occupy the unit.
 - A copy of the Rules and Regulations must be attached to, and made a part of, all lease contracts. The owner or his agent will review all items in the Rules and Regulations with each adult and teenage occupant of the unit. Each adult will sign the last page of the Rules and Regulations to verify that they understand and will obey the Rules and Regulations as a condition to living at Springtree Crossing. A copy of this signature page will be provided to the Association within 30 days of occupancy.

6. All residents are encouraged to keep their doors and windows locked. Do not leave valuables in your car. Do not leave purses, wallets, or keys in common areas such as the swimming pool.
